SAFETY ALERT PREVENTING VEHICLE BREAK-INS

It's important to remain vigilant about the ongoing issue of vehicle break-ins in our area. Here are some tips to help keep your vehicle and belongings safe:

Lock Your Doors: Always lock your car doors and close all windows, even if you're just stepping away for a few minutes.

Hide Valuables: Don't leave valuables in plain sight. If you must leave items in your car, keep them out of view in the trunk or under seats.

Park in Well-Lit Areas: Whenever possible, park your vehicle in well-lit areas or close to building entrances.

Be Aware of Your Surroundings: Stay alert and report any suspicious activity to local authorities.

By working together and staying proactive, we can help reduce these incidents and keep our community safe.

EXCITING DEVELOPMENTS IN OUR DISTRICT

Patriot Park and The Village at Wescott Park

I'm thrilled to share updates on two new developments underway in our district, set to enhance our community's living spaces.

Patriot Park is progressing well and will soon bring 120 residential units to our area. This development promises to offer a variety of housing options designed with modern living in mind, catering to a diverse range of residents.

Meanwhile, **The Village at Wescott Park** is also moving forward, adding 68 units to our community. This development is set to provide a more intimate residential environment while still offering the conveniences and comforts that new construction brings.

Both projects are exciting steps forward in our district's growth, and I look forward to keeping you updated on their progress!

"Engaging in great conversations with our HOA president as we continue moving our community forward together."

In June I met with the HOA presidents and leaders of District 4. My goal for this meeting was to establish a strong foundation for open communication and cooperation. We discussed common challenges, explored best practices, and identified ways we can support one another. By working together, we can enhance our neighborhoods and create a more cohesive, vibrant community for all our residents.
